

## 04. Health procedures

Please note that during the Covid-19 outbreak, tooth brushing in the setting may pose a risk of cross-infection. Please speak to your Oral Health adviser in your local area for clarity.

### 04.6 Oral health

The setting provides care for children and promotes health through promoting oral health and hygiene, encouraging healthy eating, healthy snacks and tooth brushing.

- Fresh drinking water is available at all times and easily accessible.
- Sugary drinks are not served.
- Only water and milk are served with morning and afternoon snacks.
- Children are offered healthy nutritious snacks with no added sugar.
- Parents are discouraged from sending in confectionary as a snack or treat.
- Staff follow the Healthy under 5's Cornwall programme.

#### Pacifiers/dummies

- Parents are *advised* to stop using dummies/pacifiers once their child is 12 months old.
- Dummies that are damaged are disposed of and parents are told that this has happened
- Dummies/pacifiers are not permitted in setting.
